Important reminders and other information

Ask your doctor to write your prescription for a 90-day supply with refills when appropriate. You will be charged a mail order copayment regardless of the days' supply written on the prescription. Please be sure that your doctor writes your prescription for a 90-day supply, not a 30-day supply with 3 refills.

Complete the Health, Allergy & Medication Questionnaire.

There may be a limit to the balance that you can carry on your account. If this order takes you over the limit, you must include payment. Avoid delays in processing by using e-checks or a credit card. (See Section 3 for details.)

If you are a Medicare Part B beneficiary AND have private health insurance, check your pharmacy benefit materials to determine the best way to get Medicare Part B medications and supplies. Or, call the Pharmacy Customer Service number on your ID card. To verify Medicare Part B prescription coverage, call Medicare at 1-800-MEDICARE (1-800-633-4227).

Automatic generic equivalent substitution of certain brand-name medications is allowed by law in Texas, Florida, and Ohio, unless you or your doctor specifically directs otherwise.

☐ If you live in Texas, you have a right to refuse safe, effective generics. Check the box **if you do not want** the generic medication. This applies only to the prescription medication(s) on this order.

☐ Pennsylvania law permits pharmacists to substitute a less expensive generically equivalent medication for a brand name medication unless you or your doctor direct otherwise. **Check the box if you do not wish a less expensive brand or generic medication "product."** Please note that this applies only to new prescriptions and to any future refills of that prescription.

For additional information or help, visit us at **www.oxfordhealth.com** or call the Pharmacy Customer Service number on your ID card. TTY/TDD users should call 1-800-759-1089.
